

Workshop Agenda
May 12, 2003
Proposition 65 Regulatory Options Regarding Acrylamide in Food
Office of Environmental Health Hazard Assessment (OEHHA)
California Environmental Protection Agency

California Environmental Protection Agency Building
ROOM CHANGE: Coastal Valley Hearing Room, 1001 I Street, 2nd Floor, Sacramento

Workshop format: This is a scoping workshop to discuss appropriate Proposition 65 regulatory options regarding acrylamide created by cooking foods. We encourage your ideas to identify regulatory strategies and data required to support these strategies (including data under development). To allow everyone the opportunity to speak, prepared presentations will be limited to 5 minutes per topic area, unless available time permits longer.

Workshop Chair: Val Siebal, Chief Deputy Director, OEHHA

|------------|--|
| 10:00 a.m. | Workshop goals
Val Siebal
Ongoing research and information gathering
FDA Action Plan
Dr. Terry Troxell, Director, Office of Plant and Dairy Foods and Beverages,
Food and Drug Administration, Center for Food Safety and Applied Nutrition
Other ongoing research and information brought to OEHHA's attention
Dr. Tom McDonald, OEHHA
Discussion |
| 10:45 a.m. | Issues and regulatory options regarding
Food stock, food storage, and potential acrylamide levels |
| 11:30 a.m. | Issues and regulatory options regarding
Modulation of acrylamide through cooking practices |
| 12:30 p.m. | Lunch on your own |
| 1:15 p.m. | Issues and regulatory options regarding
Food consumption amounts and patterns |
| 2:15 p.m. | Issues and regulatory options regarding
Assessing acrylamide cancer potency, including bioavailability
and sensitive populations |
| 3:15 p.m. | Break |
| 3:30 p.m. | Other regulatory options |
| 4:45 p.m. | Closing remarks and next steps |

All times are approximate only.
